Experience

Independent Venture - ETA Search @ NY & NZ

MAR 2025 - PRESENT

Gained hands-on experience across **business operations, sales, and marketing**, developing a broader understanding of customer acquisition and the systems supporting a small business.

Implemented Gusto for HR and payroll, modernizing core business operations and streamlining administrative workflows.

Sr Product Designer @ BetMGM - Remote

JAN 2022 - MAR 2025

Led the redesign of BetMGM's customer experience across **mobile, web, and kiosk**, defining a **cohesive cross-platform experience** and helping shape the broader product strategy.

Architected and delivered a **multi-brand enterprise design system spanning 40+ brands** in partnership with Entain Group, enabling product and engineering teams to ship faster.

- 🏆 Awarded Zeroheight's Best Collaboration Finalist

BetMGM served **1M monthly active users across 28 markets** during this period, with net revenue growing from **\$1.3B to \$2.1B**.

Product Designer @ Cigna - Los Angeles, CA

JUL 2018 - JAN 2022

Following Cigna's acquisition of Brighter, joined the newly established Cigna Digital team and contributed to the redesign of the myCigna web and mobile experience.

Designed core experiences across navigation, Find Care, and cost & transparency, helping simplify how members discover care and understand their healthcare costs.

- 🏆 Awarded JD Power #1 Healthcare Digital Experience
