Experience

Product & Operations Consultant @ Sperry Hamptons - New York

MAR 2025 - APR 2026

Served as product lead and operator at a high-end **event tent rental company** following its SBA-financed acquisition, working across back-office administration, sales, and site planning to modernize how the business runs.

Migrated HR and payroll to **Gusto** and built a **site plan tool in Replit**, cutting internal turnaround on plans and revisions from hours or days to minutes.

Mapped the end-to-end job lifecycle across three teams and delivered a scoped roadmap for a connected job record. Extended the work with a season at an independent Sperry licensee in **New Zealand**.

Sr Product Designer @ BetMGM - Remote

JAN 2022 - MAR 2025

Owned design for BetMGM's core customer journeys across **mobile, web, and kiosk**, defining a **cohesive cross-platform experience** and helping shape the broader product strategy. Registration completion reached **94%** after the sign-up redesign.

Co-architected and delivered Dice, a **multi-brand enterprise design system spanning 28 brands and 40+ themes**, in partnership with Entain Group, enabling product and engineering teams to ship faster.

- Winner, Zeroheight Best Collaboration Award (2025)

During this period BetMGM grew from **23 to 28 markets** and served **1M monthly active users**, with net revenue rising from **$1.3B to $2.1B**.

Product Designer (TECDP Lead Analyst) @ Cigna - Los Angeles, CA

JUL 2018 - JAN 2022

Following Cigna's acquisition of Brighter, joined the newly established Cigna Digital team and contributed to the redesign of the myCigna web and mobile experience.

Designed core experiences across navigation, Find Care, and cost transparency, helping simplify how members discover care and understand their healthcare costs.

- myCigna went on to win multiple J.D. Power Digital Experience awards
